Summer 2015 Update

Historical Society President's Message

Summertime and the living is easy...Yes, while it is true that programs at the Historical Society slow for the summer, the work continues.

The New Bern Battlefield project is moving forward quickly in preparation for an October dedication. Plans for fall and winter programs are underway. So, yes indeed, there is time for a cool drink, and good things are still happening.

Thank you for your support.

Nelson McDaniel
