

New Bern Historical Society 4th Annual Gingerbread House Contest

It's time to think about the 2020 New Bern Historical Society Gingerbread House Contest. Like many events in 2020, this year it will be different. It will be simpler and it will be online. But the *most important part, working together with friends and family, enjoying the season, THAT* will be exactly the same!

Here's how it works!

1. Gather your team. You can be a team of one and work on your own, or recruit family, friends, kids, grandkids, team mates, anyone and everyone.
2. Build your house. The only rules this year are: 1) Everything on your house and on its platform must be edible, and 2) It must be made by the individual or group that presents it.
3. By **December 12** send your name, email address, phone number, mailing address, and photos of your house to GingerbreadNewBern@gmail.com.
What photos?
 - Up to 3 close-up photos of your house. AND
 - One photo of the house and builder/s together
 - JPG, PNG, or TIF only
4. The photos will be displayed on the New Bern Historical Society Facebook page.
5. There will be two cash prizes. One will be determined by our judges and one will be a People's Choice determined by the number of Facebook likes the photo collects.
6. There are no entry fees, no forms to complete and no categories.

Enjoy the creativity, the family and the fun! Stay safe!
We hope to be back downtown for next year's
5th Annual Contest!

What about the class? We are working with Craven Community College and expect to again offer the basic "Building a Gingerbread House Class" this fall.
